Posting Date: July 11, 2024

About Spectrum

Spectrum is an organization that serves, affirms, and supports the well-being of 2SLGBTQ+ individuals in Waterloo Region and the broader community through peer support, community partnerships, education and training, resources, and events.

About the role

Rainbow Newcomers Connect meets on the second Sunday of each month from 3-5pm. This group is for 2SLGBTQIA+ adults aged 18+ who identify as newcomers. The Co-Facilitators will facilitate a two-hour discussion group once per month. The group's goal is to build resilience by increasing participants' social networks and sense of belonging.

Co-Facilitators will require social and group facilitation skills and demonstrated empathy and sensitivity to the subject matter. Facilitators will be expected to welcome visitors, introduce them to others present, inform them of Spectrum resources if fitting, and facilitate and direct the conversations when necessary.

These will include a description of how the applicant has interacted with Spectrum including an attendance record.
