Board of Directors Application

Thank you for your interest in the Board of Directors at Spectrum Waterloo Region's Rainbow Community Space.

Spectrum is built on the hard work and dedication of our volunteers – from the volunteer Board of Directors, to event organizers and group facilitators, to special projects, research, staffing drop-in hours, administrative work and much more.

Spectrum's Board members attend one two-hour board meeting each month. In addition, Board members must be active on at least one of our committees:

- Equity, Diversity, and Inclusion Committee
- Executive Committee
- Financial Management Committee
- Fundraising and Development Committee
- Human Resources Committee
- Strategic Planning Committee (triennial)

Board members must be members of the organization by making a financial contribution of any amount or volunteering at least 30 hours each fiscal year (August-July). Board terms are two-years long, and no member may serve more than six terms. Spectrum's Board can have up to 15 members at a time.

Spectrum's Board of Directors has adopted a mixed model of governance. We use a modified Management Team Model in which members of the Board are tasked with some operational duties in the areas of human resources, financing, fundraising, and public relations. As the organization grows, we are moving towards a governance Board.

Having prior experience as a Board Director would be very helpful. Lived experience as a member of an 2SLGBTQIA+ community or ally is essential. Board members must complete a successful police reference check for the vulnerable sector.

Please complete the form below and submit it with a resume. Your application will be reviewed by our Executive Committee as soon as possible and we will reach out to discuss an interview.
