

# Rainbow Family Stories & Songs

Join RECE Rea from Spectrum and other Rainbow families with children aged 0-6 in stories and songs. There's no criteria for participation — anyone who feels their family is a rainbow family is welcome to join. Come connect, have fun, read, sing, play, and build community together!

Rea will also be on-site before program at 11:00 AM, and after the program, to provide support and information about early learning topics, community resources, and other programs that may be of interest.
